

Glimpses of Bihar Health Mela 2025

Bihar Health Mela 2025

We were invited by the Bihar Health Department to participate as a development partner in the first-ever state-level health fair - “Arogya Parv 2025” - in Patna. We showcased our multi-pronged interventions towards health systems strengthening in the state through digitisation, leadership development and communitisation.

The two-day event was graced by key dignitaries, including Hon’ble Health Minister Shri Mangal Pandey and Deputy Chief Ministers Shri Samrat Choudhary and Shri Vijay Kumar Sinha. Over 18,000 visitors availed consultations, diagnostics, medicines, HPV vaccinations, and telemedicine services.

Hon'ble Health Minister Shri Mangal Pandey at our stall

**Shri Arun Kumar Sinha, Member of Legislative Assembly
(Kumhrar, Bihar)**

**Dr. Akanksha Suman, State Program Officer – Maternal Health,
State Health Society Bihar**
